## JHM Lady Gracie

**Date of Birth:** 06/06/2024  
**Registration 1:** CI349721  
**Breeder:** Justin McNeece  
**Owner:** Justin McNeece

Lady Gracie is a very colorful heifer out of a 90" ttt cow that has a lot of twist on the bottom side going back to Creole Dixie Lee. Her dam is probably the most gentle cow I own. Her sire High Stakes BCB over 85" ttt is an own son of Fifty Fifty that has produced really well for us and you just cannot get anymore of those genetics unless you can find some straws. Looking forward to seeing this heifer grow.
