Truly is a nice colorful built heifer out of Dunn Mint Julep that also has a good lineage of twisty horn sets. Just go look at her dam side and Dunn Over It and Dynamically Dunn and see the twist. Dunn Mint Julep is a well built, big brindle body cow with a nice set of tight twisty horns that is a milking machine. Her sire High Stakes BCB is over 85" ttt out of Fifty Fifty who has produced very well for us with all his progeny.
